

Dear Dr. Sándor Szénási,

I hope this email finds you well. The revised manuscript, " Research on path planning of mobile robots based on improved A\* algorithm," has been thoroughly reviewed, and I am pleased to report that the authors have effectively addressed the feedback provided on the initial submission. The topic is highly relevant, aligns well with the journal's scope, and adds meaningful insights to the field. Given the improvements made, I recommend **accepting the manuscript for publication**.

Thank you for the opportunity to contribute to the review process.

Best regard,

Abbas A. Kareem
